---

Hi Mary,

As a follow-up to our conversation yesterday, please see section 10.13 (pg 20) Title transfer - Buy Back provision for your review. In addition, we received several examples of municipal agencies certifying a sole source. We will request City Attorney's office review this (in addition to the agreement). Thank you for your valued input.

Have a great weekend.

Subject: License Plate Readers - Funding Discussion

Hi Mary,

In anticipation of tomorrow's meeting, I wanted to send the proposal for replacement of the existing public safety cameras.

Attached you will find details related to the proposed purchase of license plate readers. As you will note in the document, the benefits of this technology far outweigh our current system. The proposed funding would be the equipment replacement fund allocated for the replacement of the public safety cameras. We propose a sole source (which we will formally request) with Flock Safety.

We look forward to hearing your thoughts regarding this. Thank you!
